

Nurse Practitioner

Title: Nurse Practitioner (NP)

Reports to: Interim Chief Medical Officer

Summary Job Description: This is a full-time, interim position.

Essential Responsibilities:

- Provide medical services to patients, inclusive of all functions necessary to provide quality medical care
- Develop treatment plans for acute and chronic diseases
- Educate and guide patients on disease prevention, disease management and healthy lifestyle habits
- Provide monitoring and continuity of care between physician visits
- Contribute to teamwork and communications. Work within a team to achieve patient and team goals, participate in regular staff meetings, and collaborate with other disciplines to achieve desired outcomes
- Administrative, Staff Development and Student Supervisory responsibilities as needed

Required Skills:

- Ability to successfully complete generic and department-specific skills validation and competency testing.
- Ability to work with management team and physicians; demonstrated customer service skills, interpersonal skills and communication skills.

Qualifications:

- MSN with FNP concentration; post master's certificate with FNP concentration; or DNP with FNP concentration required
- Current NP license in North Carolina, registered with NC State Board, current DEA registry and BLS.
- Minimum of three years' experience in community based programs, including low-income, uninsured patients
- Bilingual in Spanish and English preferred
- National certification by AANPCP or ANCC as a Family Nurse Practitioner.
